September 19-21
Barcelona, Spain

A warm welcome

Our global MoodleMoot is our peak annual event that brings together some of our amazing community from around the world to share what we're doing with Moodle in our own organisations, and to put our minds together to discuss and design the future of education, powered by open source technology.

Like every year, you will be surprised by the friendships you make, the ideas you find, and you'll come back home afterwards feeling energised with new ideas and inspiration.

See you there!

Martin Dougiamas
Moodle Founder and CEO

The venue

Hotel Barceló Sants, in the centre of Barcelona, is very well connected.

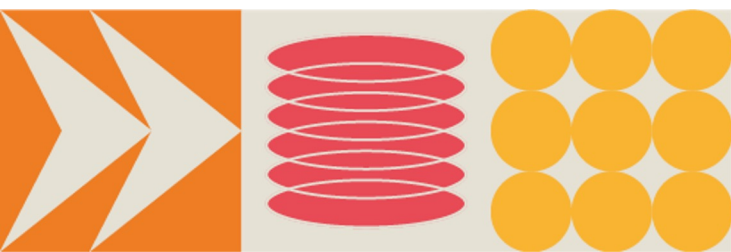

It is very easy to arrive from the airport and from the AVE (fast trains to Madrid-Paris-Valencia).

Hotel Barceló Sants has an avant-garde and futuristic look that resembles a space station, where guests can imagine they're on an inter-galactic trip.

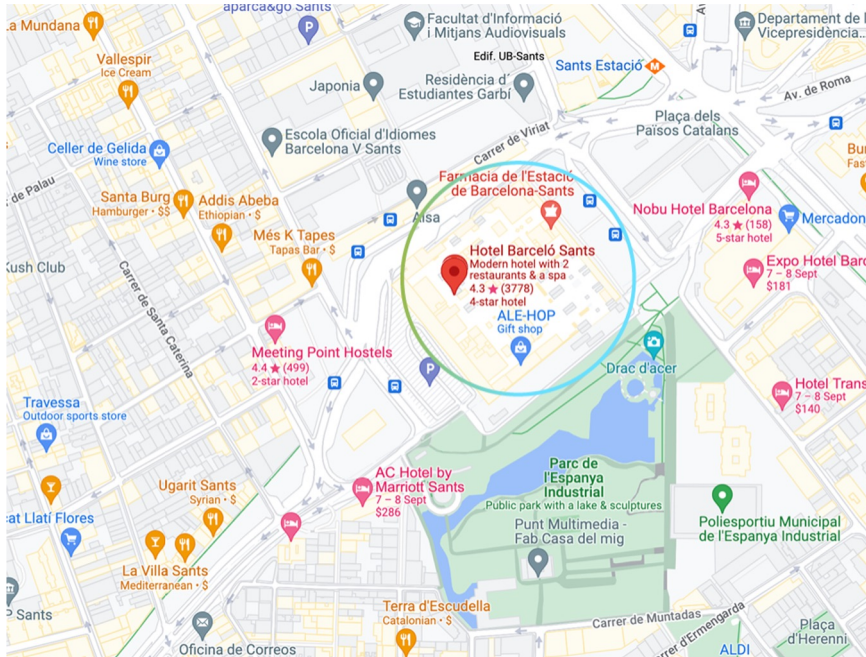

Located above Sants Railway Station and with direct access to the high-speed AVE and Barcelona's metro and local train links, this is the best-connected hotel in the city. It's just 500 metres from Plaza Espanya and the scenic Montjuïc district, 15 minutes by train from Barcelona El Prat Airport and 4 minutes by train from Plaza Catalunya.

Getting to the venue

Public transport & taxi

Hotel Barceló Sants is located over the Barcelona-Sants train and metro station. Serviced by RENFE, Metro, AVE.

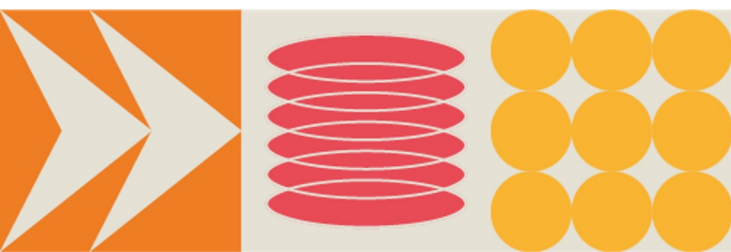

Barcelona-El Prat airport is 12 km away. There is a direct connection via train from the airport (T2) and a bus.

Alternatively, a taxi from the airport will cost around 30-35€.

Finding the Hotel

If you are coming from inside Barcelona-Sants train station follow the signs to **Plaça de Joan Peiró**. Exit the Barcelona-Sants train station. The entrance to the Hotel is 50m on the right.

MoodleMoot Global 2023 course on Moodle Academy

The [MoodleMoot Global 2023 course](#) on Moodle Academy is your community space to connect with other attendees before and during the event, as well as give you access to further information and resources.

All MoodleMoot Global 2023 attendees have been enrolled in the course. If you haven't previously had a user account on Moodle Academy, check your email for your login details.

The course will also allow you to:

- Introduce yourself.
- Ask questions and find out more about the event.
- Suggest things to do in and around Barcelona.
- Give restaurant suggestions.
- Get ready for your Jam Day.
- Arrange to meet up with others from the community before and after the conference.
- Receive a certificate of attendance after the event.

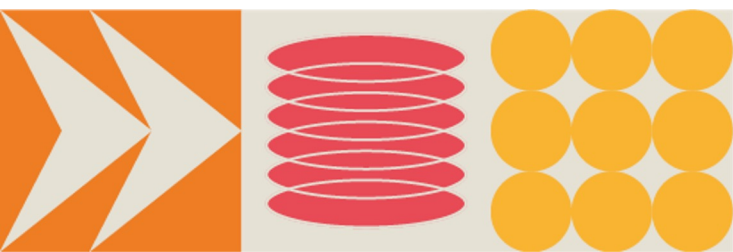

Registration

Registration for MoodleMoot Global 2023 attendees will take place on Tuesday 19 September from 8:15-9:00 am at the registration desk on the first floor.

Upon arrival at the venue, proceed up the stairs or take the elevator to the first floor. All registered attendees will receive their name badges. For safety reasons, badges must be worn at all times during the event. Name badges will include a QR code which other attendees can scan that will take them to the external link (i.e. LinkedIn) that attendees have included upon registering for the event. Attendees who did not provide a link to their profile during their registration, will not have a QR code on their name badge.

For those of you coming along to our Music Jam night (Tuesday) and Moodle Party (Wednesday), you will also receive a bracelet for each event. These bracelets will be your entry ticket, so be sure to keep them safe and wear them on the night.

Please be mindful of your belongings throughout the event and keep them secure. A cloakroom will be available for attendees during the event.

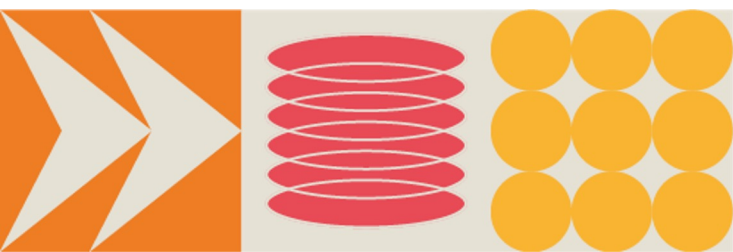

Jam Day

On Monday 18th September 2023, we will be hosting a Jam Day that will include three different activities as part of the pre-conference.

Registration for Jam day attendees will take place at the registration desk - 09:30-10:00 for Developers DevJam, and 13:45-14:00 for UX and Learning Design jams.

Attendance at the Jam Day activities is reserved for registered MoodleMoot Global attendees who selected this option on sign-up.

- **Developers DevJam** (sold out)
3iPunt workshop room - 09:30 - 18:30
- **UX Jam** (sold out)
Attendee meeting room - 13:45 - 18:30
- **Learning Designer Jam** (sold out)
Intelliboard room - 13:45 - 18:30

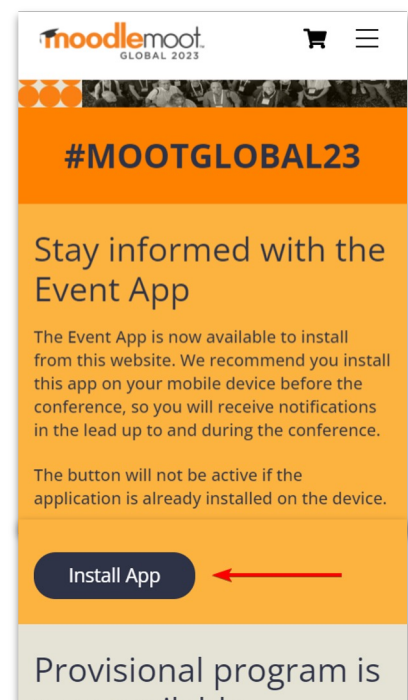

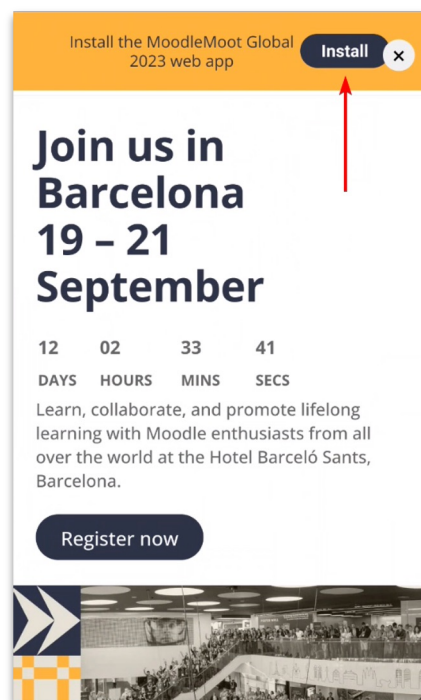

MoodleMoot Global App

Installation

Installing the MoodleMoot Global app on your iOS or Android device will ensure that all of the information you need during the Moot is at your fingertips, and you'll be kept up to date with important alerts and notifications while you're in Barcelona.

The app will also allow you to view the event program and build a personalised schedule of sessions to attend. Make sure you are logged in with your moodlemoot.org details once you open the app to personalise your schedule.

You will find an 'Install App' button on the moodlemoot.org homepage to easily get the app on your device.

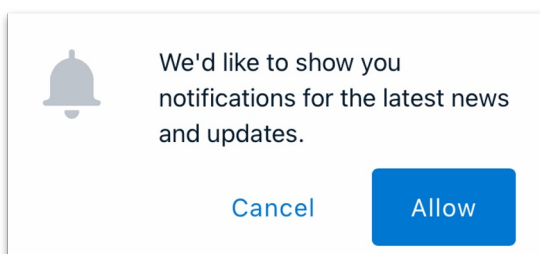

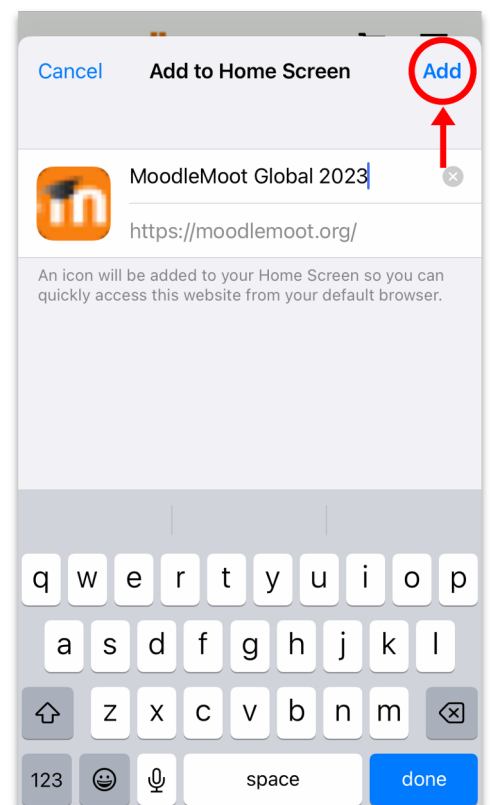

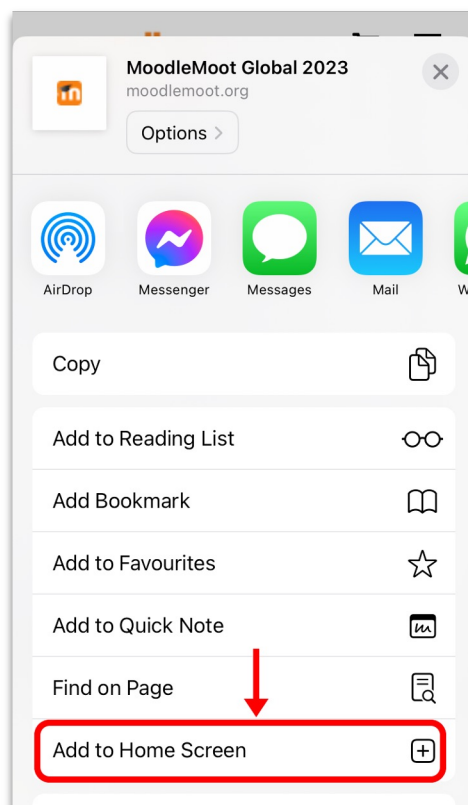

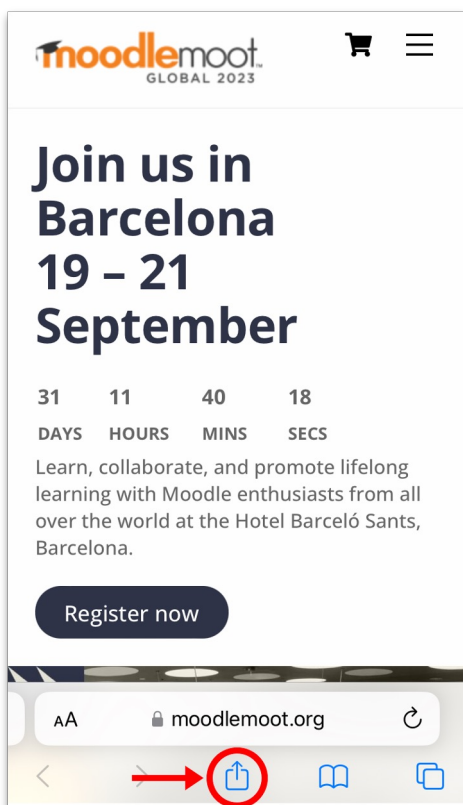

If the button does not work on your device, detailed instructions on how to install it on different devices can be found on the following pages of this guide, or at moodlemoot.org/app.

MoodleMoot Global App

iPhone installation

1. Launch **Safari** mobile browser on your iPhone and go to <https://moodlemoot.org/>
2. Press the **share** icon.
3. Choose **Add to Home Screen**.
4. Press **Add**.
5. The app will be added to your **Home screen**.

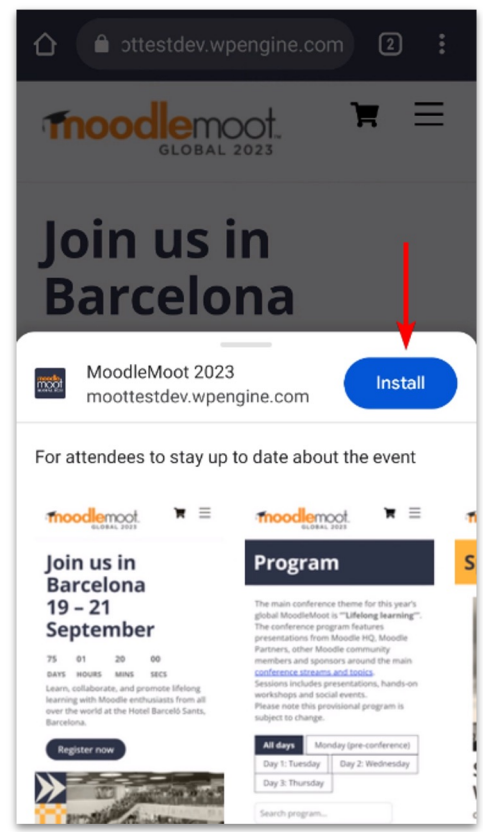

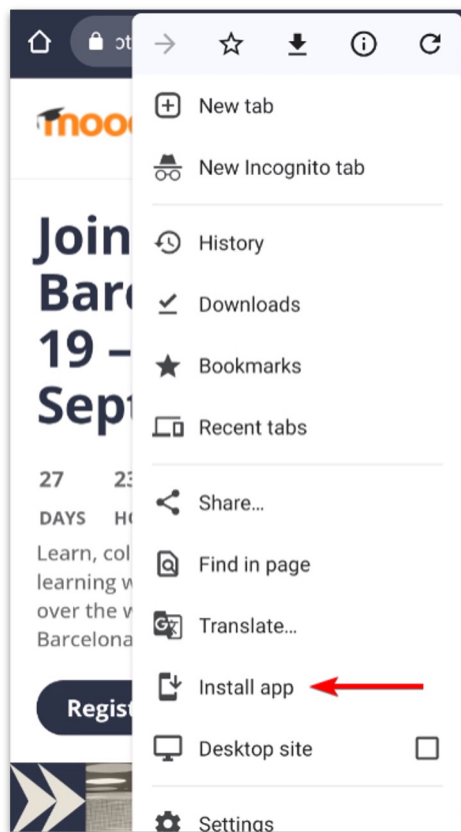

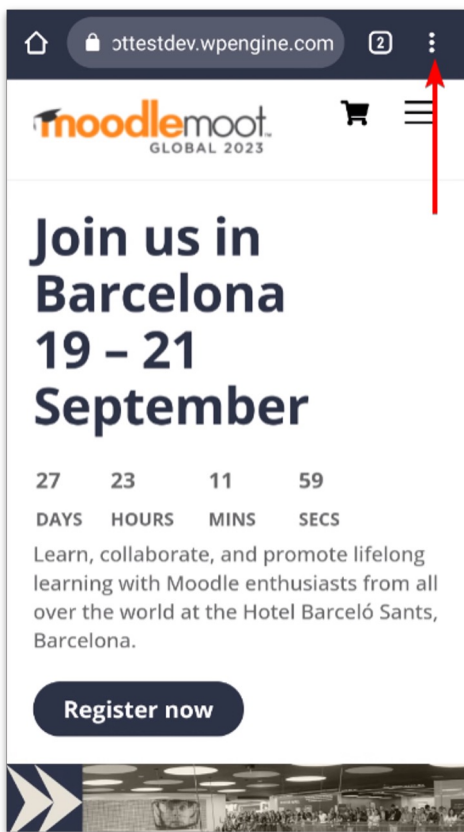

When you first launch the app, you'll be prompted to enable notifications. Press **Allow**.

MoodleMoot Global App

Android installation

1. Launch your mobile browser on your Android and go to <https://moodlemoot.org/>
2. Press the **more options** button (three dots icon).
3. Press **Install app**.
4. The app will be added to your **phone home screen**.

Allow the notifications of the app to receive important information before and during the event.

For detailed instructions on each browser visit moodlemoot.org/app

At MoodleMoot Global

Food and beverage

Morning tea, lunch, afternoon tea and drinks will be provided during the conference.

If you have any dietary requirements and have not communicated this during your registration process, please email us immediately.

Dresscode

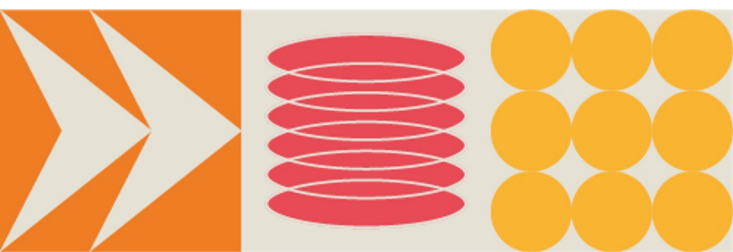

We encourage neat and comfortable clothing throughout all days of the conference.

At MoodleMoot Global

Moodle stand

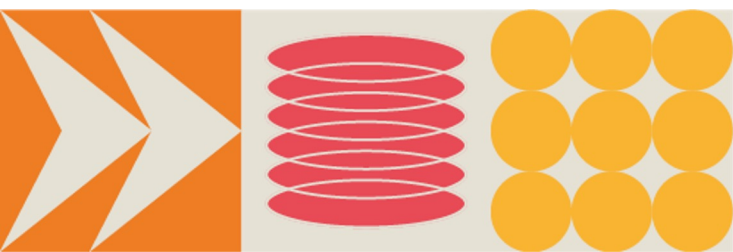

Make sure you take some time to drop by our Moodle stand while you're at the event. The Moodle stand will be staffed throughout the conference by members from the different teams at Moodle HQ, so come and say hi, introduce yourself, and ask the experts about all things Moodle!

Moodle shop

Grab your Moodle gear while stocks last!

The [MoodleMoot Global 2023 merchandise shop](#) is now live online! Order your favourite items now and then drop by our Moodle shop during the conference to pick them up.

The Moodle stand and shop are both located on the ground floor of the conference venue.

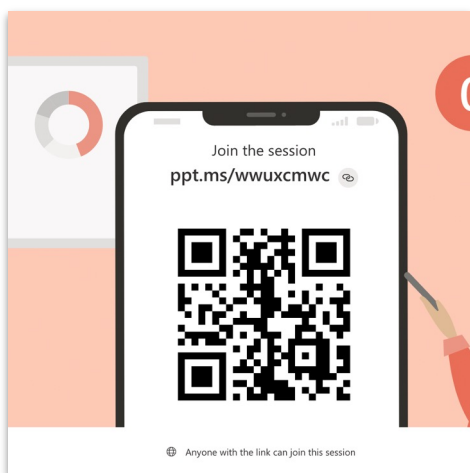

Live captioning and translating

We will be piloting an auto-captioning and translation system (Microsoft Present Live) during presentations at MoodleMoot Global 2023. To make use of the system, you will be able to scan a QR code or visit a URL which will be provided before presentations. This will allow you to see the presentation slides on your device in real time, and read live subtitles in your preferred language.

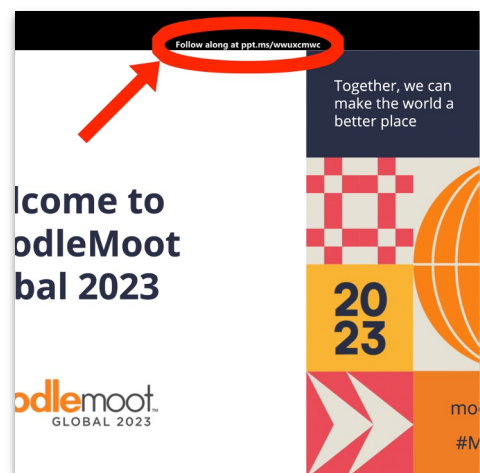

Before a presentation begins:

Point your device camera at the QR code and tap the link that appears, or navigate to the provided URL in a web browser.

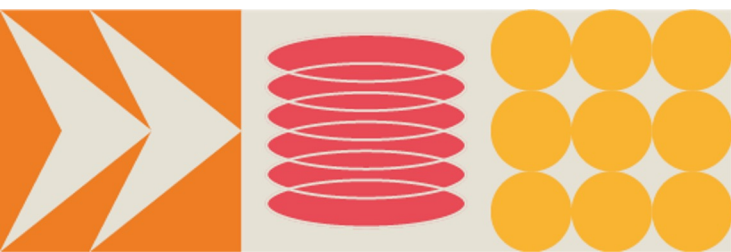

Once a presentation is underway:

In a web browser, navigate to the URL displayed above the presentation.

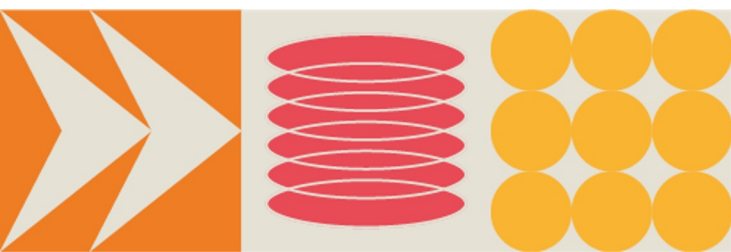

PowerPoint will load the presentation in your web browser. There's nothing for you to install.

Live captioning and translating

Features of Microsoft Present Live include:

- **Live captioning**
See spoken words transcribed on the screen in near real-time.
- **View slides**
Follow the presentation slides live on your device, and use "pinch to zoom" to see slides more clearly.
- **Automatic translation**
Tap the language indicator and select from any of the supported languages. Spoken words will be machine translated into that language.
- **Review previous slides**
Use the controls to navigate back through previous slides. You can go all the way back to the first slide, but only as far forward as the slide currently displayed.
- **Live feedback**
Tap the feedback button (a smiley face) on your device and select from a handful of different feedback types, from "like", "puzzled" and more. The selection will briefly appear on the presentation screen.

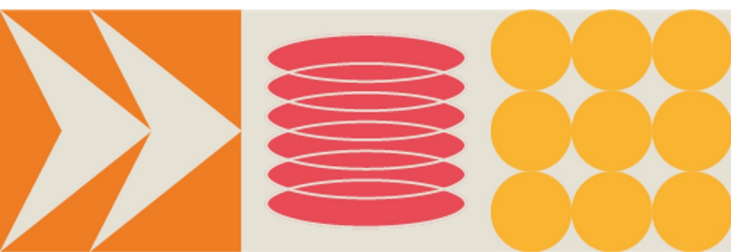

Best presentation competition

We will be looking to you to help us find the best presentation of MoodleMoot Global 2023.

After the event, all attendees can cast their vote for the best presentation when completing the event feedback survey.

The presentation with the most votes will win 1 free ticket to the next MoodleMoot Global conference. In the case of a draw, a panel of judges will decide the winning presentation.

Voting will close midnight Friday 6 October 2023 (GMT+2).

After MoodleMoot Global

Leaving the hotel

For those staying at the hotel and checking out on the last day of the Moot, you may use the hotel cloakroom to store your luggage before you depart.

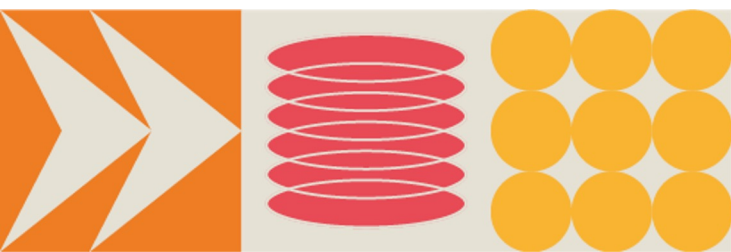

Give us your feedback

We would like to continue improving our MoodleMoot Global event and we will really appreciate your feedback. A feedback survey will be sent to all attendees on the last day of the event, so please take a few minutes to complete this.

Certificates

Certificates of attendance will be sent to all MoodleMoot Global 2023 attendees a week after the event.

In addition to this, all presenters will receive a Speaker certificate a week after the event.
